Teachers, Principal and support staff regularly consult with parents regarding the differentiation required for students to engage with the curriculum to their full potential. Parents are updated regularly on progress, via parent-teacher meetings and discussions.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships using the Positive Behaviour for Learning framework.

Positive Behaviour for Learning (PBL) formerly known in state schools as Schoolwide Positive Behaviour Support (SWPBS) is an evidence-based whole school approach to establishing the social culture needed for schools to be effective learning environments for all students.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	0	1	2
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Rolls are marked on OneSchool twice a day. Blank absence slips have been provided to parents, to send to school with absence reasons, as an alternative to a phone call. Student attendance at Karumba State School is dealt with systematically on a daily basis. Families of absent students (with and undefined absence) are contacted by telephone in the first instance after 3 days absence in a row. Long and frequent unexplained absences are rare at Karumba State School, however are managed in accordance with formal notification of DET policies and the official management of non-attendance. Families are communicated with on a regular basis to remind them of the process for absenteeism.

Our expectations for 100% attendance are expressed consistently across the school site in our correspondence and notices. There is an award at the end of the year for the student with the highest attendance.
